

Winchester / NRA Marksmanship Qualification Program PISTOL QUALIFICATION

Hosted by Armed2Defend

**Welcome to the Marksmanship qualification program.
Please review this information before participating.**

Program Goal:

To Develop the skills needed to participate in NRA Action Pistol competition, as well as the basic skills required for personal protection. An NRA Basic Pistol, Personal Protection or FIRST Steps Pistol Orientation course will provide an excellent foundation of knowledge to build upon. The NRA Basic Pistol Qualification Course provides the perfect self-paced shooting activity to help develop your skills and reward your achievements.

How to Participate:

Eligibility: The program is open to everyone – men, women, adults and youth.

Instruction: Armed2Defend will provide limited instruction to assist you to complete your level.

Location: The marksman qualification is hosted on Armed2Defend's instructional shooting range during currently scheduled concealed carry class dates and times. Please note that this range is on private property is an only opened during listed times; this is not a public range. Contact Kevin Sadeski at armed2defend@gmail.com or (614) 209-7250 for range address.

Dates and Times: The range will be open from 3 to 5 pm on any of the scheduled concealed carry training dates listed at www.armed2defend.com. Please do not arrive before 2 pm. No pre-registration is required. When you arrive to the range, check in with the range staff.

Program Fee: The program fee is \$20 per level attempted. If the level is not completed in one day then it is only \$5 each date that you come back to work on that level. If you would like to complete more than one level in one day then each additional level is only \$15 within the same day. At the completion of each level, you will be awarded a certificate and the skill rocker for that level. On completing the Pro-Marksman level, you will also be awarded the Pistol Qualification Patch. For non-NRA members, there is an additional \$20 fee to receive the Distinguished Expert award package.

Supplies: Armed2Defend will supply the targets, shooting space, instruction and awards. Ammunition and firearms are to be supplied by the participant. Ammunition will be available for sale at the range (22 lr caliber ammunition is temporarily not available for sale at the range).

Records: Armed2Defend will maintain your qualification records. Participants will receive the certificate for each level completed.

Winchester / NRA Marksmanship Qualification Official Rules - <http://mqp.nra.org/>

Thank you for your interest in participating in the Marksman program through Armed2Defend.

When you arrive at Armed2Defend's range, please check in with the range staff. They will guide you where to make your payment, review the range rules, and sign a waiver. All participants start at the Pro-Marksman level unless if documentation can be shown of past completed levels.

Armed2Defend's Preliminary Range Rules (not the complete list of rules):

1. Keep your pistol unloaded in a closed bag or case until you are on the firing line and you are directed to remove it by an Armed2Defend representative.
2. Holstered pistols are not to be removed from holster unless under the supervision of the Armed2Defend Range Safety Officer (RSO). Preference is that firearms are unloaded and in a bag/case.
3. Pistols are to ALWAYS be pointed down range towards the target area. At no point should it be pointed in a different direction. Any unsafe behavior will result in disqualification from the program.
4. Do not start qualifications without supervision from an Armed2Defend representative.

Pistols and Revolvers: Any semi-automatic pistol or revolver may be used. All calibers compete together.

Sights: Any sights may be used.

Targets: Eight-inch target ([Right Handed](#), [Left Handed](#)), six-inch target ([Right Handed](#), [Left Handed](#)), and [AP-2 precision or Bianchi Cup style target](#).

Timers: When time restricts are specified, shooters should have another individual act as timekeeper or use an electronic shot timer.

Distance: Armed2Defend will use 15 feet distances for all levels of qualification.

Awards: Pistol Qualification Patch, Skill Rockers, and Certificates. For the Distinguished Expert (DE) level, current NRA members will receive the award from the NRA. For non-NRA members, there will be an additional \$20 fee for this award. Distinguished Experts receive a DE Rocker, a DE Certificate, and a DE Metal. Become an NRA member, save \$10 off membership and become entered to win an \$1100 Kimber 1911 Pistol Package. Click here to join for only \$25: <http://www.armed2defend.com/kimbernra.html>.

Records: Armed2Defend will maintain records for the progression to rating qualifications. A rating does not have to be completed in a single day or in successive shots. But ratings do have to be completed in order and scores used to earn one rating cannot be used towards completion of another rating.

Pistol Course of Fire:

Pro-Marksman:

Position: Bench rest, two hands.

Target: 8 in diameter ([Right Handed](#), [Left Handed](#))

Time: No restriction
