Who?

This group is for any lady 21 or older (or 18 or older but accompanied by a lady who is 21 or older) at any skill level. There are no prerequisite requirements. Come to one meeting or come to them all!

What?

The first hour is teaching and discussion around the selected topic and the second hour is range time with instructors standing by ready to help you as much or as little as you'd like.

If you don't have a handgun of your own you can rent one from us for a \$5 fee plus the cost of ammunition. (Ammo prices vary depending on caliber). We have 22lr, 45 Auto, 40 cal, 38 special, 380 auto and 9mm options available to rent.

Why?

You will have fun and learn something new in the low pressure, non-judgmental company of other like-minded women!

How?

We want to know how many ladies to expect so that we have the right number of instructors on hand. We require all participants to preregister and pay the \$15 fee before the meeting. Go to rosiepistol.com to register.

Where?

All meetings take place the last Thursday of the month (except for June) on Armed2Defend's private range in Canal Winchester. Exact address will be emailed to all registered participants before the event.

What to bring

Bring your ear and eye protection (or borrow from us), handgun & ammunition*, and a notebook/pen for notes. *We have handguns available for rent if you don't have one yet.

2017 meeting dates on the back of this paper!

Women's Shooting Group

2017 Schedule

THURSDAY APRIL 27 6PM-8PM: FUNDAMENTALS \$15

We will cover shooting fundamentals to **improve our accuracy**. Where we are hitting on the target can reveal which errors we are making. Learn how to hit that bullseye!

THURSDAY MAY 25 6PM-8PM: HOME DEFENSE \$15

Our awesome Instructor Stacy Duncan will present information to help you think through your home defense plan. Are you really ready if someone were to break into your house? You don't realize how much you haven't thought through until you hear Stacy teach this. Don't miss it!

THURSDAY JUNE 15 6PM-8PM: AWARENESS/AVOIDANCE \$15

We will be talking about levels of awareness. The best way to win a gun fight is to avoid the gun fight. Being aware could save your life.

THURSDAY JULY 27 6PM-8PM: HOLSTERS \$15

We will discuss the pros and cons of different holster options for different situations. We have samples of holsters from **Can Can Concealment, Flashbang, Undertech, Packin' Neat and others** that you can see, feel and try on. Bring your favorite holsters with you if you have something you'd like to share with the group.

THURSDAY AUG 31 6PM-8PM: CONTINUING SKILL ADVANCEMENT \$15

Continued learning and skill practice is important. One opportunity we will discuss is the **NRA Marksmanship Qualification Program**. Each lady will have the opportunity to shoot one level for free as part of the \$15 meeting fee. We will also explain and practice different **dry fire exercises** you can and should be doing regularly.

THURSDAY SEPT 28 6PM-8PM: LIABILITY \$15

We will discuss the liability issues you really must consider as a gun owner. If you ever have to pull that trigger in self-defense (even if you are completely justified) there is going to be legal and financial battle on the other side. Plan ahead for this now.

THURSDAY OCT 26 6PM-8PM: LOW LIGHT DEFENSIVE SHOOTING \$15

When we practice at the range it is usually under optimal conditions but in a real life defensive situation the conditions will not be perfect. Most attacks happen at night or in low light environments. Are you prepared? Have you practiced shooting in low light?

GUN CLEANING: At any meeting you can purchase our custom cleaning kit for \$35 plus tax and one of our instructions will show you how to clean your gun for free if you'd like.
